
BISCUIT INTERNATIONAL SUCCESSFULLY EXTENDS ITS FINANCING FACILITIES

Paris, 16 June

Paris, 16 June 2026 – Biscuit International today announces the successful amendment and extension of its existing financing facilities.

This transaction marks a significant step in Biscuit International’s journey, reinforcing its financial foundations and supporting the execution of its long-term strategy over the coming years as the leading European private label biscuit and bread substitute manufacturer.

The transaction has been completed with the support of Biscuit International’s existing lenders and shareholders, reflecting continued confidence in Biscuit International’s business model, market positioning and growth prospects. This transaction provides the company with a strengthened capital structure, greater liquidity, and increased financial flexibility.

Leon Taviansky, Biscuit International CEO, said: “This successful transaction is a positive outcome for us and demonstrates the trust of our partners in the strength of our operations and strategy. It allows us to move forward with clarity and confidence as we continue to focus on operational excellence, customer service and sustainable growth.”

Following the transaction, Biscuit International remains fully committed to delivering high-quality products to its customers, maintaining strong relationships with its partners, and executing its strategic roadmap across all its markets.
